in the wild ~ Where kids will experience AMAZING ENCOUNTERS WITH JESUS!

Hello Parent/Guardian (s), of 7th grade, 8th grade and High School volunteers!

Youth volunteers fill an important role at VBS. They are great role models for the children and are an incredible help to the adult volunteers. They add energy and excitement to the week, and VBS would not be the same without them. We welcome youth volunteers who are just completing 7th – 12th grades in June 2019.

Youth Volunteer,

There are a few things we would like you to reflect upon before signing up to volunteer at VBS. As a volunteer, you become a leader. You will be a good example for the children. Your enthusiastic participation, maturity, and responsible attitude will set the tone for the week. It is important to realize that although you may not be an adult, we expect you to act more like an adult than a child. You will be willing to help the adults in charge of you, however needed. Your top priority will be to help the children around you learn a lot and have a great time. You will show the children God's love through your words, & actions. What a privilege!

If this is the right fit for you and your student's personality, talents, and readiness to take on responsibility, please join us in this ministry! We hope you have a lot of fun at VBS, and join in all the games, music and worship.

Please fill out the attached form, sign, and return to the Church.
